MASS PRODUCE CARS, RR EQUIPMENT

PRODUCES TRUCKS, PASSENGER CARS -- Berlin, Nachrichten fuer Aussenhandel, 3 Jan 51

The people-owned Horch Works in Zwickau has started mass production of H 3a diesel trucks and IFA-DKW F9 passenger cars.

The new passenger car is a two-door limousine model with streamlined, all-steel body, designed for high speed and excellent road performance. The car has a two-stroke, three-cylinder engine, and seats four people comfortably. It has a maximum speed of 100 kilometers per hour and its motor fuel consumption is 92 liters per 100 kilometers.

SUPPLY LARGE RAILROAD SCALES -- Berlin, Nachrichten fuer Aussenhandel, 13 Dec 50

In the beginning of 1951, the people-owned Polygraph Plant in Magdeburg will be able to supply the Reichsbahn with new-type, standard railroad scales.

The plant also supplies large industrial enterprises, particularly steel mills, with railroad and vehicle scales having a precision of 0.05 percent.

Negotiations are in progress for the export of automatic conveyor belt scales for mines and grain silos.

MASS PRODUCE RR SIGNAL EQUIPMENT -- Berlin, Nachrichten fuer Aussenhandel, 20 Jan 51

The Elsina People-Owned Electric Signal and Machine Building Works in Halle/Saale has begun mass production of centralized traffic-control towers. E ectric point-shifting installations and switch point operating gears are also being produced. Under the Five-Year Plan the output is scheduled to be doubled.

RR CAR PLANT EXCEEDS QUOTA -- Berlin, Nachrichten fuer Aussenhandel, 10 Jan 51

As the result of a 17-percent reduction of manufacturing costs, the people-owned Lowa-Bautzen Coach Building Factory made a profit of 1.6 million German marks in excess of the planned total for 1950. This achievement was made possible by increasing labor standards and implementing suggestions for improvements submitted by the workers.
